Provided that nothing in this rule shall apply to:—

- (b) a craft belonging to the Central Government or the Government of any State or of any Union territory; and
- (c) a craft entering a port from another port outside the State for either loading or unloading cargo or embarking or disembarking passenger only.

(2) An application for licence may be made in Form No. I, together with the licence and inspection fees, as prescribed in the Schedule to the Port Authority.

(3) On receipt of an application for licence, the Port Authority shall inspect the craft or cause it to be inspected and on being satisfied that the craft is seaworthy properly equipped and suited for the service for which it is proposed, issue a licence in Form No. II:

Provided that the receipt issued for the payment of the licence fee shall be deemed to be the licence under this rule for a non-mechanised non-passenger craft of upto 10.00 tons:

Provided further that the Port Authority or any Officer authorised by him in this behalf, may not inspect any craft holding a certificate of survey issued under the Inland Vessels Act, 1917 or the Merchant Shipping Act, 1958.

(4) In case the Port Authority refuses to issue the licence, it shall, before such refusal, inform the applicant in writing, by giving grounds for such refusal. If the defects or deficiencies are rectified to the satisfaction of the Port Authority, it shall issue the licence.

(5) Every licence granted under sub-rule (3) shall be valid for a period of twelve months from the date of issue of licence or for such lesser period as may be specified therein:

Provided that a licence issued in the months of October, November or December shall be valid until the end of December of the following year, unless its validity is specifically restricted in which case it will expire on the day specified therein.

(3) Where, on any voyage, a licensed craft does not carry passengers to the extent it is certified to carry, the Port Authority may permit it to carry a reduced number of Life Saving Appliances for that voyage.

(4) Where, for any reason, the owner of any craft does not or is unable to provide the Life Saving Appliances specified under sub-rule (1), the Port Authority may reduce the certified carrying capacity of the craft and allow such a craft to ply subject to such conditions as may be specified in an endorsement to be made in the licence.
